## EXPERIENCE

### Interaction Specialist, Digital Experience Lab

Storrs, CT

Sept, 2018 – Present

Design and develop a mobile app to help food bank employees manage inventory and shoppers make healthy choices. Previous projects include interactive displays and IoT applications.

### UX Designer, Subconscious

Remote from Storrs, CT

Jun, 2019 – Aug, 2019

Promoted clarity, transparency, and usability of the web platform for a mental health nonprofit. Researched problems through stakeholder talks and 7 user tests. Delivered web prototype and validated solution with 8 additional tests

### Coach, Codecademy Lifelong Learners

Remote from Storrs, CT

Sept, 2018 – May, 2019

Spearheaded remote team to develop their first web app. Designed and taught curriculum in Google Hangouts. Topics included wireframes, style guides, code prototypes, and collaborative programming

### UX Design Intern, Cigna Health Insurance

Bloomfield, CT

May, 2018 – Aug, 2018

Crafted internal tools to be used by Cigna employees through wireframes, visual design, prototyping, and usability tests. Projects included a conference management tool and a call center analytics dashboard.

### Web Intern, Blizzard Entertainment

Austin, TX

May, 2017 – Aug, 2017

Researched how to improve web experience for gamers through 6 user interviews and usability tests. Presented findings to designers, developers, and managers to improve experience for future game sites.

## COOL PROJECTS

### History of User Experience Design

Nov, 2019 – Dec, 2019

Wrote a 35+ page paper on how User Experience design emerged in the late twentieth century from the fields of computing and human factors

### JobHunting Animation

April 2019 – May, 2019

Animated a 2 minute film about the job search experience. Accepted in the Metropolitan Computer Animation Festival (Sept, 2019)
